FRUIT WINE - DRAGON POWER

It is a red fruit alcoholic beverage with a strong taste. It's intense garnet red colour with shades passing into a dark ruby. More mature fruity aroma resembles the tones of ripe blackcurrants and sour cherries. The taste is sweet, slightly pleasantly bitter.

The fruit "wine" thanks to its typical taste is an excellent addition to food, great to maintain good mood, contentment and overall relaxation.

Those who love mixed drinks can use it for preparation of bowles, mixed wine drinks but also to add flavour to fruit juices. Recommended temperature for storage of this beverage is 10–15 °C.
