ROSE

Rose is an exceptional wine of high quality. It brings you unforgettable and charming taste experience. It is full bodied, truly harmonious, fruity, with sympathetic fullness and extract and higher alcohol levels. Rose is generally a wine with deep pink colour, with a shade of wild red berries, tomatoes and strawberries. The taste is fruity, reminiscent of raspberry compote, in which raspberries and red grapefruit are main tones. Rose is a refreshing, light and fruity wine. This wine is perfect for summer when you can sit outside, have barbecue in the garden or picnics, etc. The aroma is extractive, the taste is full, pure and complex like fresh grapes and berries. In its aftertaste you can feel a slight touch of chocolate. The recommended temperature is 17–19 °C.
