

FUERTE WINERY

1 8 5 6

The shade of red colour of this wine depends on the size of the crop. Wine made has a fine floral fragrance that is extremely pleasant and supports youthful harmony of wine which seduces to take another sip. When the wine matures the aroma of fresh hay appears.

Using special technology called carbon maceration creates the possibility to make very pleasant type of young red wine.

Recommended temperature is 12 -14 °C.
